香港大家庭協會

The Hong Kong Large Families Association

The Hong Kong Large Families Association, abbreviated as HKLFA was founded in 7th July 2017 aiming to support and promote the large families in the Hong Kong society and to represent the social and economic interests of families with children, in general, and large families, in particular, as the most appropriate environment for bringing up children, integrating them into society for the public benefits, and providing mutual support and solidarity among generations; as well as the promotion, development and unity of the movement of large family organizations.

We also propose to make a new case for generosity in childbearing as well as provide encouragement to those mothers and fathers who need support in their public desire to have more children in their families and the society.

The mission is to witness the beauty of large families and to overcome the difficulties the parents may think of having a bigger family, in order to form a stronger foundation to support the society in confronting the population aging issue.

目標 OBJECTIVES

協會的目標是代表有兒童的家庭，尤其是大家庭的社會和經濟利益，特別是代表撫養子女，融入社會，以實現公共利益的最適當環境，並提供 世代之間的相互支持和團結；以及大型家庭組織運動的促進，發展和統一。

The objectives of the association shall be to represent the social and economic interests of families with children, in general, and large families, in particular, as the most appropriate environment for bringing up children, integrating them into society for the public benefits, and providing mutual support and solidarity among generations; as well as the promotion, development and unity of the movement of large family organizations.

香港大家庭協會

The Hong Kong Large Families Association

香港大家庭協會（簡稱HKLFA – Hong Kong Large Family Association）於二零一七年七月七日成立，旨在支持和促進香港社會大家庭，並代表有兒童的家庭，尤其是大家庭面對的社會經濟利益，並引領他們融入社會為公益事業，互相支持，互相支援，作為撫養子女的最佳環境；以及促進大家庭組織的運動，發展和合一。我們也提出慷慨生育的新例，並鼓勵那些需要支持的父母，希望在家庭和社會上有更多的孩子。我們目的是見證大家庭的美好，克服父母可能認為大家庭有更多困難，並為支持社會應對人口老化問題打下堅實的基礎。
